Required experience and skills:

- Proficient in the Adobe Creative Suite with experience using Illustrator, Photoshop, InDesign.
- The confidence to liaise with printers and other external suppliers for brochures, flyers, banners, etc.
- Skills in HTML / CSS would be beneficial, though not essential.
- A confident, outgoing and creative person who is not afraid to put forward ideas.
- Basic content animation experience desirable, but not essential.

On a typical day the Junior Graphic Designer will:

- Deliver innovative design ideas and concepts to enhance the image of the corporate brand and deliver productive lead generation campaigns and corporate collateral to a range of audiences.
- Design product brochures, flyers, mailers and corporate marketing materials.
- Work as part of a team, but with the desire to put forward independent ideas and designs.
- Provide input into the corporate website, including the design of web banners and static/animated content.

Benefits of joining Knight Knox:

- Flexible start and finish times.
- Outstanding performance is recognised and rewarded in various forms throughout the year, such as bonuses and quarterly social events.
- Comprehensive private medical care including discounted gym membership, free cinema tickets and free eye tests after 1 year of service.
- Company pension scheme.
- Be part of a friendly and sociable team that benefits from multiple social events throughout the year.
- Training and real support are provided to help you reach your potential.
